3RD PARTY MULTI SKU

The "Multi SKU 4 language" and "Multi SKU 5 Language" layers within this template are both canvases for 3rd Party publishers to construct any required combination of languages to create a briefed multi SKU.

Accompanying these layers, is the 'PS4_Multi_Coversheet_Components' document. The 'PS4_Multi_Coversheet_Components' document contains auxiliary materials, broken down into sections, that can be copied and pasted straight into the positions indicated on the 'Multi SKU' layers. For precautions, please refer to page 11, 12 and 13 of the 'PS4_Multi_Coversheet_Components' document.

CREATION

The format for the translations has been set up so that it will fit both the 4 and 5 language layouts.

The text boxes on both layouts are one linked text box so that the languages can flow continuously when pasted in.

If all of the required languages have been inserted into the correct layout and there is a space issue, simply select all of the text and reduce the leading and/or paragraph space after.
